GEETA SINGH, M.D.,

Plaintiff,

v.

COUNTY OF SANTA CLARA et al.,

Defendants.

No. 10-CV-04668 RS

**STIPULATION AND ORDER FOR
 REVISED BRIEFING SCHEDULE FOR
 HEARING ON PLAINTIFF'S MOTION
 FOR PRELIMINARY INJUNCTION
 AS MODIFIED BY THE COURT**

The parties, through their respective counsel of record, hereby stipulate and agree to an order for a revised briefing schedule respecting the Motion for Preliminary Injunction filed by Plaintiff, Geeta Singh, M.D., on February 25, 2013.

By way of background, consideration and granting of SCVMC clinical privileges has been and continues to be an evolving process and the forms, requirements, procedures, and protocols differ today from what they were in 2011. Given Plaintiff's present assignment in the Division of Cardiology, she may request Active clinical privileges respecting inpatients and outpatients. SCVMC is processing Plaintiff's request for Active clinical privileges. But to do so, SCVMC must follow today's procedures and protocols.

//

1 Once Plaintiff completes certain requested clinical activities, the Privileges in Cardiology
 2 form is expected to be signed-off and submitted to the SCVMC Medical Staff Office (MSO) for its
 3 consideration. The MSO then submits the necessary paperwork to the Credentials Committee by
 4 March 20, 2013, for its consideration. The Credentials Committee then submits paperwork to the
 5 Medical Executive Committee (MEC) by March 28, 2013, for its consideration. The MEC then
 6 submits paperwork to the Health & Hospital Committee of the Santa Clara County Board of
 7 Supervisors (BOS) for final consideration on April 10, 2013. The BOS is the governing board for
 8 the Santa Clara Valley Health & Hospital System and delegated authority and decision-making for
 9 clinical privileges to its Health & Hospital Committee. Whether Plaintiff's requested Active clinical
 10 privileges are renewed will be known by April 10, 2013.

11 The parties do not believe it is productive or efficient to maintain the present briefing
 12 schedule (opposition papers filed by March 20, reply papers filed by March 27, 2013, and a hearing
 13 on April 3, 2013) when the process will not be completed before April 10, 2013.

14 Accordingly, the parties stipulate and agree to an order for a revised briefing schedule. If a
 15 need exists as of April 10, 2013 for Plaintiff to pursue her motion, then opposition papers shall be
 16 filed by April 18, 2013 asserting all factual, legal, and administrative defenses, reply papers shall be
 17 filed by April 25, 2013, and then a hearing shall be held on the Court's next regularly scheduled day
 18 for hearing motions - Thursday, May 2, 2013, at ^{1:30 p.m.}~~10:00 a.m.~~
